

Deus Sic Vult

Holy God
Holy Mighty One
Holy Immortal One
Have mercy on us

Have mercy on us

How many times have I called for help
When I could not carry on?
How many times have I lost my way
And wondered where You'd gone?

I wanted to scream until my voice was gone
I wanted the whole world to hear
But somewhere deep inside my heart
I knew that You were near

When I am weak
You give me strength
When I am lost
You show the way

Have mercy on us
When we are falling down
Have mercy on us
When there is no way out

Through the darkness
Through the fire
When we have nothing left to give

DEUS SIC VULT!

DEUS SIC VULT!

And still we rise
And still we live

There are days when fear surrounds me
And I cannot see the light

There are nights when every answer
Seems to disappear from sight

But I will not surrender
To the voices in my head
I will take another step
When every road seems dead

When I am weak
You give me strength
When I am lost
You show the way

Have mercy on us
When we are falling down
Have mercy on us
When there is no way out

Through the darkness
Through the fire
When we have nothing left to give

DEUS! SIC! VULT!

DEUS! SIC! VULT!

And still we rise
And still we live

DEUS...
SIC...
VULT...

DEUS SIC VULT!

I do not ask for an easy road
I do not ask for a life without pain
Give me the strength to face tomorrow
And the courage to rise again

Let my heart be stronger than fear
Let my faith be stronger than doubt
When I cannot find the answer

Let me remember You are here

Holy God
Holy Mighty One
Holy Immortal One

Have mercy on us

Have mercy on us

DEUS SIC VULT!

Have mercy on us
When we are falling down
Have mercy on us
When there is no way out

Through the darkness
Through the fire
We will never lose the light

DEUS! SIC! VULT!

DEUS! SIC! VULT!

DEUS! SIC! VULT!

Let the darkness disappear
Let the morning rise

DEUS...

SIC...

VULT!

DEUS SIC VULT!

DEUS SIC VULT!
